**Lauren Buskirk**

**SFX:** Crinkly sound of hand opening up a goldfish bag

**Flavor Blasted Goldfish:** Oh great. Just great.

**Flavor Blasted Goldfish 2:** Here we go again.

**FBG:** You know, at first we were honored to be Flavor Blasted Goldfish. Everyone finds us so irresistible.

**FBG 2:** But now, we’re just sick of it. We spend our days swimming to the bottom of the bag. Living in fear of being eaten.

**FBG 2:** You’re telling me. My girlfriend Goldie was just snatched up yesterday.

**FBG:** But how can we blame them? As Flavor Blasted Goldfish we were born of real cheddar, and then blasted with flavor. It’s not surprising humans get hooked on our deliciousness.

**FBG 2:** And 51 of us makes just one serving? It’s unbelievable. They can practically devour a whole school of fishes every time they open our bag.

**SFX:** Sigh

**FBG:** We poor fishies don’t stand a chance.

**Announcer:** Flavor Blasted Goldfish. 51 Fishes. 1 Tasty Treat.
