

Sick of Getting Compliments? Me Either.

That's why I use Cover Girl Volume Exact Mascara.

"Girl, your eyes are gorgeous."

Not what you want to hear from the creepy guy at the bar.
But impressing your family, friends, co-workers and the one
not creepy guy at the bar is nice.

Cover Girl Volume Exact Mascara coats each lash individually for intense volume without clumping. With stunning lashes, you'll get used to compliments about your beauty. Cover Girl Volume Exact Mascara won't smudge or wear off – so you can keep your flawless look all day. Go ahead and bat those volumized lashes at that one not creepy guy. I dare you.
