SFX: Clinking of dishes and silverware

Father: Do you know what this time of year always reminds me of?

Son: When grandpa took you out for your first hunting trip?

Father: I guess I've told you this before.

Son: Yeah, your first day of hunting you watched grandpa take a beautiful elk.

(Sarcastically) I've seen the pictures a few times too.

Father: Hey, it was an awesome experience.

Son: You can relive it.

Father: I can?

Son: Well, it wouldn't be the exact same, but if we apply for the PURE Michigan Hunt we could win the chance to hunt elk like you and grandpa did.

Father: Pure Michigan... what?

Son: Pure Michigan HUNT. It's a raffle. Three winners get to hunt elk, bear, and more.

Father: So, I could take you elk hunting?

Son: Or if I win, I can take YOU elk hunting.

Announcer: To find out more or to apply for the Pure Michigan HUNT visit
